

# BASTON BUG HUNT 2025

Below are a number of bugs and insects that can be found in the garden or around the village, maybe in the churchyard or playing field. Why don't you try and see how many you can find. If you want you can take photos of your best finds and enter them in the local Naturehood photo competition. The email is [naturehood.sk@gmail.com](mailto:naturehood.sk@gmail.com) The competition is part of the Baston, Langtoft and Thurlby Wildlife Photography Competition 2025, closing date is 30th September. Whilst searching for bugs please try not to disturb them and leave their surroundings as you found them. It is best to look at them in their natural environment rather than touch or handle them.

## Minibeast Hunt

Tick the minibeasts that you have found!

	spider	<input type="checkbox"/>		woodlouse	<input type="checkbox"/>
	slug	<input type="checkbox"/>		butterfly	<input type="checkbox"/>
	beetle	<input type="checkbox"/>		wasp	<input type="checkbox"/>
	crane fly (daddy-long-legs)	<input type="checkbox"/>		ladybird	<input type="checkbox"/>
	earwig	<input type="checkbox"/>		dragonfly	<input type="checkbox"/>
	snail	<input type="checkbox"/>		ant	<input type="checkbox"/>
	millipede	<input type="checkbox"/>		worm	<input type="checkbox"/>
	fly	<input type="checkbox"/>		caterpillar	<input type="checkbox"/>
	bee	<input type="checkbox"/>	If you visit the naturehood website in July there will be further activity sheets to help you spot and identify trees, birds and wildflowers during the holidays
